

WELCOME

We want to invite you to journey through the summer months of July and August with us as a church in reading through the gospel of John.

No matter where you are in your faith journey John's gospel has something for you. It speaks to both the most basic fundamentals of the faith and explores deep profound truths for growing as disciples of Christ.

You will notice that there is no reading assigned for Saturdays or Sundays. We want to encourage you to use these days to reflect on what you read during the week. Look back over the sections you read (or catch up if you are behind) and spend some time praying through the sections that stood out for you. Think about how you might share what you have learned with someone you know. You are always welcome to share your thoughts with us through a phone call or email.

We are looking forward to how God will help all of us grow in our relationship with him through reading his word.

Together in Christ, Pastor Tim & Steve.
